PENTAGON RENOVATION PROGRAM  
100 BOUNDARY CHANNEL DRIVE  
ARLINGTON VA 22202-3712

The Honorable Duncan Hunter  
Chairman  
Committee on Armed Services  
2265 Rayburn House Office Bldg.  
Washington, D.C. 20515

Dear Mr. Chairman:

As required by Section 2674 of Title 10, United States Code, I am pleased to submit the thirteenth annual report on the renovation of the Pentagon Reservation.

The report covers Pentagon Renovation Program projects in progress, completed and planned before March 1, 2003, including the successful completion of the Phoenix Project, the effort to rebuild the portion of the Pentagon destroyed in the September 11 terrorist attack. Though a tremendous amount of focus was given to finishing this project by September 11, 2002, we have not allowed ourselves to take attention or energy away from our other renovation activities. All of our projects continue to be on or under budget, and ahead of schedule.

Over the next week we will be sending copies of the report for each of your committee members. Please notify us if there is an alternate delivery address we should use. George Jackson will be the point of contact for the report delivery and can be reached at 703-614-1771. The report will also be available for download on our web site: <http://renovation.pentagon.mil>.

If you have any questions, please feel free to contact me at 703-693-7666.

Sincerely,

  
Michael R. Sullivan  
Program Manager
